The World Solver The Key.

The Lord's Kingdom

Will Come To Earth.

The puzzle's built, each
instructible and watchful over
by a Guardian Angel, or, in this
case, Demion. Each Guardian
sits that each box reaches the
hands of a prospective candidate
for Hell. As the Box is solved,
it plays a short tune that is
made longer the further the
solver progresses. As the fourth
piece is removed the Great Hell
begins to tell. When it's finally
solved, it opens the Schism so
that the Crebites can cross and
offer the solver their
pleasures.....

The Puzzle Solver

Engineer

When the four engineers align
the gateway will open

The Box is a means to summon
us - Crebites, Demions to some,
Angels to others. You solved the
Box. Will come. Now you must
come with us. Waste our pleasures.
We have such sights to show you.
We belong to you.... And you
belong to us. So tears please. It's
a waste of good suffering.

Will raise.....

The Will Car Your Soul Apart.....
